

Neighbourhood Plan Review

Kirdford Parish Neighbourhood Development Plan was completed and adopted in 2014 with the purpose of establishing a vision for the evolution and long term sustainability of the Parish and the village until 2029.

The completed Neighbourhood Development Plan (NDP) can be viewed on the Parish Council website at www.kirdfordpc.gov.uk

A review was planned to take place after five years and a team of ten residents has begun the task of reviewing what has been achieved and delivered. They will, along with the Parish Council, consider which projects listed in the NDP of 2014 can be delivered in the future and which are either not viable or not desirable.

To this end the team would be very pleased to hear from you if you have any projects or ideas which you would like them to consider. Of particular priority is the establishment of environmental projects to enhance the ecology in our rural situation. For example, planting of areas to encourage or support wildlife.

Please put your thoughts in writing to the Parish Clerk, Sally Dack and send to: kirdfordpc@gmail.com or you can phone her on 01798 342792

In mid June there will be a public meeting when the results of the review will be discussed and there will be some plans and ideas drawn up for you to consider.
